THE LINKS AT EVERLINE

CHALLENGE YOURSELF IN CALIFORNIA'S MOST BEAUTIFUL VALLEY

Surrounded by six majestic Sierra peaks, the Links at Everline is a championship Robert Trent Jones Jr. golf course in Lake Tahoe that rests serenely at the base of Palisades Tahoe, the 4th largest ski resort in North America.

Our magnificent course is the culmination of ten years of extensive and careful handling of the environment. Renowned golf course architect Robert Trent Jones Jr. designed Links at Everline to preserve the unique beauty, natural wetlands, and wildlife habitat of Olympic Valley. The spectacular result is a natural Lake Tahoe golf course that blends in with its beautiful mountain surroundings.

With four sets of tees - plus family tees placed just 150 yards from the green - The Links at Everline presents a fun and exciting Olympic Valley golf experience for players of all abilities, which teaches everyone the importance of managing the game and playing smart.

Located at the base of Palisades Tahoe at an elevation of 6,200 feet, the championship Links at Everline golf course measures 6,931 yards from the golf tees and is a par-71.

Golfers of every level can enjoy the experience of playing one of California's most beautiful - and environmentally sound - golf courses.

For serious golfers, this narrow Lake Tahoe golf course is best played when you're up on your game, as accuracy is much more important than distance. The front nine climbs along the mountainside through trees and narrow fairways, requiring players to place the ball precisely. The back nine weaves through the wetlands of Olympic Valley, with tall grass, marshes and wooden cart paths - also require very targeted play.

Our signature 6th hole, a par 3, features a demanding over-the-water approach and spectacular views of Olympic Valley's surrounding peaks. With water in front and trouble behind, golfers always feel rewarded when they hit the green.
